Policy statement on deferrals from offer holders for 2020 entry

We are adding further clarification to our Admissions Policy for 2020 entry, with regard to deferrals.

We do not allow candidates the opportunity to defer their offer of a place. An applicant holding an offer but wishing to commence studies at LIPA in the subsequent year will need to reapply in the subsequent year.

Provided that the candidate applies by the publicised deadline, we will guarantee them the opportunity to submit a video audition/interview or if their preference is to attend an in person audition/interview event here, we will guarantee them an invitation to attend one of our audition/interview events.
