THE LIVERPOOL INSTITUTE
FOR PERFORMING ARTS

GRADUATING ACTORS 2024 SHOWCASE

BA (Hons) Acting
BA (Hons) Acting (Screen & Digital)

MAKE PERFORMANCE POSSIBLE

WELCOME

Once again, we're showcasing our third year BA (Hons) Acting and BA (Hons) Acting (Screen & Digital) students in a collaborative event that allows each student the opportunity to demonstrate their combined technical skills and individuality, characteristic of our LIPA graduates.

Following last year's showcase, we've been thrilled to witness so many students gaining representation and embarking on employment so soon following their time with us. From the West End to regional, as well as film and TV work, our students' graduate employment reflects a contemporary and vibrant training ground that captures excellence in live, screen and digital performances.

You can view our actors' digital showreels and voicereels on our Graduating Actors webpage, via the QR code.

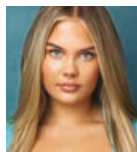

Shortly, we'll be releasing a digital version of our live showcase event, so it's another opportunity to take a second look at our actors and their work.

Please join me in wishing our **#LIPAactors2024** the very best of luck as they embark upon the first stage, of what promises to be, their exciting careers.
