

Audition Guidelines: 2027 Entry Stage Two: Online Recall

BA (Hons) Acting (Musical Theatre)

Congratulations! You've been invited to our second and final stage of our audition process.

If you live outside of the UK, we have automatically invited you to a live online recall. If you would prefer to attend one of our in-person recall events either at LIPA, the USA (New York City or Chicago), Norway or Hong Kong, please email international@lipa.ac.uk. We understand auditions can be very nerve wracking, so please read these guidelines carefully. Remember we want to get to know about you as an individual, so please try to relax, be yourself and enjoy the recall.

Our online recalls will take place on Microsoft Teams. You will be allocated an interview time and date, typically with a minimum of two weeks' notice. Times are GMT or BST as appropriate. The recall will typically last around 30 minutes and will consist of:

1. Contemporary monologue (max. two minutes)

Present the same monologue from your Stage One self-tape, demonstrating your interpretation and imaginative engagement with the material. You may be expected to respond to direction, exploring the text from a new perspective.

2. Song 1 (max. two minutes)

You will be asked to present **one of the two songs** from the Song List (at the end of this document) submitted in your Stage One self-tape. A small number of candidates may also be asked to present their second song.

3. Song 2 (max. two minutes)

Choose **any song** that best showcases who you are. This can be from any genre (not limited to the Song List or musical theatre), including pop, rock or original work. The panel will assess:

- Vocal and musical ability
- Musical and vocal potential
- Storytelling

Each of your three pieces should be no longer than two minutes. The panel may stop anyone who goes over that time.

4. Musical appraisal

We may assess your vocal range and skills through exercises.

5. Discussion

This is an informal discussion to learn more about you, your aspirations and your suitability for the programme. Please familiarise yourself with the course. You may be asked:

- What makes you an ideal LIPA student?
- What qualities would you bring to the programme?
- How do you maintain physical and mental resilience?
- What artistic experience has most impacted you, and why?
- What is your dream project, and why?
- Do you have any questions for us?

Note: You will not be required to perform any dance/movement as part of the online recall.
