# WELCOME TO LIPA

LIPA's collaborative ethos is put into practice once again with third year students from our BA (Hons) Acting and BA (Hons) Acting (Screen & Digital) programmes coming together for this Graduating Actors 2025 Showcase.

The showcase is always a celebratory event for both students and staff at LIPA, providing each student with the opportunity to prove their individual creativity combined with the precise technical training that is representative of our LIPA graduates.

Since last year, we've seen two LIPA graduates recognised as Olivier Award Winners, as well as alumni taking to both West End and Broadway stages, and taking principal roles in feature films and on popular TV series. LIPA graduate employment captures our contemporary and responsive training approaches, with a focus on achieving excellence across a variety of performance platforms and mediums.

I'm positive you'll enjoy our live showcase event. Keep a look out for the digital version of this - don't forget, you can also view our actors' showreels and voicereels on our Graduating Actors webpage, via the QR code below.

Here's to our **#LIPAactors2025**! Wishing bright futures as you step towards the first stages of your promising, exciting careers.
