

## **Online Recall Audition Guidelines: 2025 Entry**

### **BA (Hons) Acting (Screen & Digital)**

Congratulations! You are through to the final stage of our audition process.

If you live outside of the UK, we have automatically invited you to a live online recall. If you would prefer to attend one of our in-person recall events either at LIPA (various dates), or planned in either the USA (New York City, January 2025 or Chicago, February 2025), Norway or Hong Kong (both March 2025) please email [international@lipa.ac.uk](mailto:international@lipa.ac.uk)

We understand how nerve-wracking the prospect of auditioning can be, so please read these guidelines carefully. Remember we're interested in finding out about you as an individual, so please try to relax, be yourself and enjoy the day.

#### **Guidelines for your Stage Two live, online recall**

Our online recalls will take place on Microsoft Teams and will last approx. 30 minutes. You will be allocated an interview time and date, typically with a minimum of two weeks' notice. Times are GMT or BST as appropriate. You will receive the joining link approximately 24 hours prior to the interview.

Our online recall process is different to our in-person one, but is still designed to be a two-way process, so that we can find out more about you and you can also learn more about us.

The recall allows the panel to look more closely at your performed material, which may include the following activities:

#### **Contemporary monologue redirect (no longer than 2 minutes)**

In this session, you will present your two-minute contemporary monologue again (i.e. the one you presented in your self-tape). After you have performed the monologue, a member of our Acting staff may give you direction on your monologue, advice and instruction on how you might approach the monologue from a different angle, helping you to understand other aspects of the character through the language the playwright has provided. You are expected to incorporate this advice.

On occasion, staff may request to see your self-created piece (no longer than 2 minutes). Again, you may be asked to reconsider some aspects of the presentation or be redirected.

### **Screen duologue scene**

For this session you will act in a scene for camera. Please look at the screen duologue at the end of this document, choosing either character A or B. You will play this scene with another, online, reader, typically a current LIPA student. Please prepare this text; making decisions as to who this character is, where they are and what they want from the other person. We would like to see the choices you make and may then redirect you to observe your ability to absorb and respond to notes.

### **Interview**

Although not a formal interview, the panel might ask questions to better understand who you are, your aspirations and suitability for our training programmes. Please prepare for this by familiarising yourself in depth with the course content on our website. During the interview we want to get to know you better and understand more about what you expect to gain from training with us. The panel may ask you the following questions, which includes the opportunity for you to ask us questions too:

- What makes you an ideal LIPA student?
- What additional skills and qualities would you bring to the programme?
- When embarking on a rigorous practical training averaging 30+ hours per week, what are your personal mechanisms for maintaining physical and mental stamina and resilience?
- What artistic experience has had the biggest impact on you, and why?
- What would be your dream project to be involved in, and why?
- Do you have any questions for us?

### **Do you have any access needs related to a disability that may require specialist arrangements?**

If you think you will require any type of support for either stage of the audition process, please contact our Student Disability Officer, at [student.support@lipa.ac.uk](mailto:student.support@lipa.ac.uk).

### **After the audition**

- BA (Hons) Acting
- BA (Hons) Acting (Contemporary Performance)
- BA (Hons) Acting (Screen & Digital)
- CertHE Foundation Acting (Stage & Screen)

We do not tell you the outcome of your audition on the day itself. If you have been unsuccessful, we will inform you via UCAS, our applicant portal and email.
