Learning Outcomes

After completing the module the student should be able to:

| Code | Description |
|------|---------------------------------------------------------------------------------------------------------------------------------------------|
| ML01 | Perform as a featured artist/soloist to a professional standard demonstrating the application of appropriate musical skills and techniques. |
| ML02 | Collate evidence of solo performance activity, document feedback and review and revise actions on an ongoing basis. |

Module Content

| Outline Syllabus |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| One-to-one hour long instrumental and vocal lessons are delivered weekly. Vocal repertory and improvisation workshops support student projects. Project rehearsals are supported by tutors. Pre-production sessions and performances provide opportunity for formative feedback. |
| Module Overview |
| Building upon and applying skills and technique from Level 4 and 5 modules, students are required to plan, execute and evaluate performance led projects over the course of the year, leading to a final performance. |
