

LIPA

THE LIVERPOOL INSTITUTE
FOR PERFORMING ARTS

VISITING PROFESSIONALS/ LECTURERS

We have already established strong links with the arts and entertainment industry.

Throughout our programmes, we aim to supplement the work of our permanent staff with Visiting Professionals active within the industry who are interested in passing on their skills and experience to our students.

In order to ensure we are able to draw from the widest pool of expertise available we invite applications on an on-going basis.

At the moment, we are particularly interested in hearing from people who can offer input in the following areas:

- Filmmaking – Production and Production Management
- Filmmaking – Camera & Sound
- Filmmaking – Post Production & VFX
- Motion Capture (for Filmmaking and Game Engines)
- Project Management
- Safeguarding
- Sound Designers for Performance (to supervise students)
- Sound Engineers for Performance (to supervise students)
- Lighting Designers for Performance
- Music – Vocal/Singing Teachers
- Music – Instrumental Teachers (guitar, keyboard, bass, drums, wind, brass and strings)
- Acting – Voice
- Acting – For Screen/Camera
- Acting – Movement for Motion Capture
- Theatre Management
- Event and Festival Management
- Online Marketing for Music and Theatre Businesses
- Insight and Analytics for the Music and Theatre Sector
- History of and critical analysis of Performing Arts
- Practice as research

Candidates should have considerable professional experience in the appropriate field. Teaching experience and a relevant degree would be an advantage but are not essential.

A Flexible Commitment

We will be inviting Visiting Professionals to work with students for one-off sessions as well as for extended projects and whole modules.

Your commitment is thus likely to be very flexible and could be built around your other commitments.

Conditions

The rate of pay for teaching on our HE programmes during the current year (2021/2022) is £44.11 per hour, inclusive of holiday pay.

In some cases (e.g. for extended performance projects), fees may be negotiated which consolidate this rate.

In general, we will require Visiting Professionals to attend team meetings and become involved in assessment and planning. Where this involves a significant amount of additional attendance at LIPA then an additional allowance may be payable for these extra commitments.

Visiting Professionals will be able to access our staff training and development programmes where it is appropriate to their involvement and we will offer induction sessions at the beginning of each term.

Work spaces are allocated in the building for Visiting staff.

Application Procedure

You should complete the relevant Application Form and return it to us as soon as possible. There is no closing date for the return of completed applications.

Following receipt of your completed application form, this will be forward to the relevant Head(s) of Department, who will contact you should any suitable teaching hours become available.
