Stage Two & Three Recall

BA (Hons) Acting (Musicianship)

Congratulations! You've been invited to our two-part, in-person audition day.

We're keen to meet you as an individual, so relax, be yourself and enjoy the experience.

Stage two: recall (morning)

In this session, you will take part in a panel audition and a dance workshop to assess your suitability for our training programmes. Please bring sheet music and prepare:

1. Contemporary monologue (max. two minutes)

Present the same monologue from your Stage One self-tape, demonstrating your interpretation and imaginative engagement with the material.

2. Song 1 (max. two minutes)

You will be asked to present one of the two songs from the Song List (at the end of this document) submitted in your Stage One self-tape.

3. Song 2 (max. two minutes)

Please choose a song that best showcases your instrumental skills. This can be from any genre (not limited to the Song List or musical theatre). You may include vocals if appropriate, but the focus should be on demonstrating your instrument.

Each of your three pieces should be no longer than two minutes. The panel may stop anyone who goes over that time.

Dance/movement workshop

You will present a short dance/movement piece, working with others within a set timeframe. We'll be looking at your technique, versatility, and physicality. No matter what your experience is, focus on showing your effort, potential and willingness to learn. Please wear comfortable clothing (no jeans) and bring suitable flat or dance footwear. You may work barefoot if required for medical reasons.

Stage three: recall (afternoon)

Although all candidates will take part in the morning activities, we may only ask a proportion of you to come back in the afternoon for this recall audition. The afternoon

session allows the panel to look more closely at your performed material, which may include the following activities:

Musical appraisal

In this session, you will work with the panel on your actor musicianship, starting with your prepared piece. We will assess your instrumental skill, potential and responsiveness to direction. We may also look at your monologue and repertoire.

Interview

This is an informal discussion to learn more about you, your aspirations and your suitability for the programme. Please familiarise yourself with the course. You may be asked:

- What makes you an ideal LIPA student?
- What qualities would you bring to the programme?
- How do you maintain physical and mental resilience?
- What artistic experience has most impacted you, and why?
- What is your dream project, and why?
- Do you have any questions for us?

Stage Three completes all stages of your LIPA audition.
