Module Content

Outline Syllabus
<p>Students will study each discipline separately, though links between the three are expected to be made in preparation for the integration of these skills in the Level 5 module. As these will be intensive weekly classes students are expected to work on the development of these skills outside of their class time in order to reach their potential in each area. Each of these skills will be formally assessed at the end of the module, though informal assessments with formative feedback may be held at the end of term one.</p>
Module Overview
<p>The Musical Theatre Skills 1 module teaches the fundamental skills of Acting, Singing and Voice appropriate for Musical Theatre work. This foundation prepares students for the integration of these skills at Level 5 in preparation for a Musical Theatre production at Level 6.</p>
