Thank you for submitting your self-tape and congratulations on getting through to the final stage of the admissions process.

If you live outside of the UK, we have automatically invited you to a live online recall. If you would prefer to attend one of our in-person recall events either at LIPA (from December 2023 through to April 2024), or planned in either the USA (New York City, January 2024 or Chicago February 2024), Norway or Hong Kong (both March 2024) please email international@lipa.ac.uk

At this final stage of the audition process we may consider you for any of the following three undergraduate Acting courses:

- BA (Hons) Acting (Musical Theatre)
- BA (Hons) Acting (Musicianship)
- Cert HE Foundation Acting (Musical Theatre)

Guidelines for your Stage Two live, online recall

Our online recalls will take place on Microsoft Teams. You will be allocated an interview time and date, typically with a minimum of two weeks' notice. Times are GMT or BST as appropriate. You will receive the joining link approximately 24 hours prior to the interview. Our live, online recall aims to replicate the in-person experience as closely as possible. The recall will typically last around 30 minutes and will consist of four parts:

1. Contemporary monologue (no longer than 2 minutes)

You will present the speech you first performed for your self-tape audition in Stage One, demonstrating your ability to interpret this material, engaging imaginatively with its content and world. After you have performed the monologue, a member of our Acting staff may give you direction on your monologue, advice and instruction on how you might approach the monologue from a different angle, helping you to understand other aspects of the character through the language the playwright has provided. You are expected to incorporate this advice.

2. Song 1 (no longer than 2 minutes)

You will be asked to present one of the two songs from the Song List (at the end of this document) that you presented in your Stage One self-tape audition.

3. Song 2 (no longer than 2 minutes)

Please choose any song of your choice that best illustrates who you are and your ability. Your selection is not restricted to LIPA's Song List or the conventional musical theatre canon and can be any style or genre, such as a piece of popular music, rock or an original song. Within this material we will be looking for your:

- Musical/vocal skills and ability
- Musical/vocal potential
- Storytelling

In both vocal sessions we may review your skills level as a vocalist, testing your vocal range through scales and exercises. You may be given additional instruction by the panel to assess your skills level. This appraisal may be incorporated within your repertoire selection session.

Each of your three pieces should be no longer than two minutes. You may be stopped should you go over that time.

4. Interview

Although not a formal interview, the panel might ask questions to better understand who you are, your aspirations and suitability for our training programmes. Please prepare for this by familiarising yourself in depth with the course content on our website. During the interview we want to get to know you better and understand more about what you expect to gain from training with us. The panel may ask you the following questions, which includes the opportunity for you to ask us questions too:

What makes you an ideal LIPA student?

- What additional skills and qualities would you bring to the programme?
- When embarking on a rigorous practical training averaging 30+ hours per week, what are your personal mechanisms for maintaining physical and mental stamina and resilience?
- What artistic experience has had the biggest impact on you, and why?
- What would be your dream project to be involved in, and why?
- Do you have any questions for us?

Do you have any access needs related to a disability that may require specialist arrangements?

If you think you will require any type of support for either stage of the audition process, please contact our Student Wellbeing & Disability Team, at
